SERVICES TO YOUR CLUB

Norwich Rugby Club is a volunteer club and can only function with the effort and contribution of its members. Youth and Mini parents are as integral to this as the members of the senior section. If you have any skills or services that you can offer, please outline them below. You will not be taken advantage of but the more you get involved in club life, the more you will get out. A willingness to just help occasionally will be most appreciated.

I am/am not (**please delete as appropriate**) prepared for the club to hold my details on a database purely for club administration purposes. I understand that player details will be held on the RFU central registration database known as 'Rugby First' Details will not be disclosed to any third party by Norwich Rugby Club except for the necessary aforementioned RFU registration process.
